

NRL

National Radiation Laboratory

Licence to use Ionising Radiation

Dr B A Keet

Licence No. 20516

The above-named is authorised under the Radiation Protection Act 1965 to use ionising radiation from 1 July 2011 to 30 June 2012 as follows:

Scope

This licence authorises the use of irradiating apparatus for scientific purposes.

Conditions

All radiation use must be in accordance with a Radiation Safety Plan that satisfies the requirements set out in NRL Matters No 16.

for Director - General of Health
